“ To my dear childhood friend, I want to honor the moments we shared growing up together. Our days were filled with laughter and competition as we played baseball in the fields of White Water. We began our journey in Little League at Hillcrest, and Pike County became our home for 8 Ball. As life moved forward, you continued to Charles Henderson, while our paths began to diverge.

Although we have not spoken in years, the bond we formed remains strong in my heart. I will always cherish the times we spent together, especially with your father, Alex White Senior. He was a guiding force, always encouraging us and taking us to baseball practice. His support and dedication left a lasting impact on both of our lives.

Rest in peace, my friend. The love and memories we shared will never be forgotten.

Peace & Blessing,

Mack Cooper
