“ Mrs. D was a great lady. She was a loving and caring neighbor always willing to lend a helping hand to help in any way she could. After the passing of my mother she would always check on my brother to make sure he was okay. Sometimes I would sit by her in church. She always had candy in her purse and would say something funny. Words will never express how I feel about her. I have some good memories.

“ *Grandma you will be missed very much. I will always remember all of the grandchildren being at your house during summer break when we were in school. How you would have us getting up to go to the pea patch, cleaning the yard, going to get the eggs out chicken house. You taught us so much. Wish you could have stayed with us forever. God shared you for 97 years. Now you will spend everyday with Him. Love you Grandma.*

“ *With Deepest Sympathy.
To my Cousins. It is said that when you cry, you cry alone but that isn't true.
The sadness you are feeling is felt by me, and all the loved ones around you.
Our loss here on earth, is the Lord's gain in heaven.
May you find comfort and joy, in knowing just how much your mother were LOVED. ❤️💕
I'm so sorry that I can't be there! LOVE, Annie Ree Davenport Maybin-Lewis*

“ *My condolences to the family. I can only hope to match her energy and love in life. When I first met her, i was nervous about meeting the rest of Eric's family. Im not sure if she realized that or not ,but she asked me to sit next to her and we looked at pictures and she told me stories like we've know each other for years. She was such an example of independence and beauty inside and out. I am so blessed to have shared my few moments with her and for the memories she's instilled in my husband's life. You will be miss, never forgotten xoxox rest in paradise*
