“ OMG!

Such a compassionate fun-loving young man filled with Christian principles exemplified by his resistance to "gossiping", His disposition showed a "smile" rather than a comment if he were faced with repeating something. Long will I/we remember his chats when we were "home" and his catching up with Rheba and Crispin. Rheba Facebooked him a day before his untimely departure. May his membership in the "legacy club" be one of peace and contentment.

Sorry on his departure

On behalf of Sherley, Crispin and Rheba Phillips we grieve and depend on you Ronda

“ Cuz, I'm speechless. It has been an honor to have become a part of this family for 30 plus years. Never have I met such a gentle soul as yours. Who knew that Sunday would be the last time you'd check my temp before entering the sanctuary? Who knew that Monday would be the last time that we'd greet each other as we came together as a family? Bonds so strong that death was the only way to break it and even then the family is reaching beyond that break and staying tightly knitted. Rest In Power... **BIG AMP YOU WILL BE FOREVER MISSED!**
