“ My heart is broken beyond repair💔😞... but I must remind myself that your peace means so much more than my pain! I love you big cuz. Your smile is one I will always remember, the moments we've had I will always cherish, you will forever live in my heart.... rest on Astin, rest on. I will never say goodbye because I know we will see each other again someday. I know you're having a great time with grandma and auntie Dawn. Just know that you guys are well loved and truly, truly missed. You were too good for this evil world. We love you! 💙💙💙

“ True friends are the ones who never leave your heart, even if they leave your life for a while. Even after years apart, you pick up with them right where you left off, and even if they die they're never dead in your heart. You will be missed my friend.
