Tribute Wall

“ *My condolences to the Crenshaw’s which is my family as well and to Aunt Melaniece Uncle Ben’s wife.
Uncle Ben always knew how to make you laugh. He told the best stories and lived one heck of a life. One thing I know is no matter what the situation is you never could stay mad with Uncle Ben for long cause he knew how to work his way back into your heart. I think I can speak for more then just myself when i say that how Uncle Ben use to say "Come On Man" will always remain in my heart and will always put a smile on my face. I love you Uncle Ben and you rest comfortably and easy you will never be forgotten.*
