“ *Braxton will be missed deeply by his friends at work. He was so kind and helpful. He often talked about his family and his weekend plans at his uncles church. He could answer any question or solve any problem. He was famous for sharing his knowledge. And also for providing links for cool stuff.*

“ *Braxton was a kind and gentle soul that loved his family. He respected his mom and dad and sister and even his "crazy" uncle.*

*Braxton will be missed and young men like him very rare today with the heart of old school and responsible with no prejudice or vices. He was so enjoyable to talk to and listen to his stories at the State of Alabama and beyond. He was so excited to be working with his dad. He put in the effort and Lord why did you take him so soon.*

*Rest in peace my friend and I'll see you on other side.*

“ Rest in Heaven Braxton... Your coworkers will miss you dearly. You were too special for this world. Your smile and kind personality will be so missed. You were always sharing tips, tricks, trinkets, snacks and great conversations. So grateful we all got the chance to know you while working all this time and I'll be forever glad I had the chance to have you as my desk neighbor.
