“ *Mr. Austin was the kindest and most gentle person I have ever met. I taught with him at Riverdale Middle School. He is one co-worker that I will never forget. He was truly a rare gem. He is one that is much needed in this world today. Mr. Austin will truly be missed.*

Family, you have my deepest and most heartfelt sympathy. May God continue to comfort and keep you in His loving arms.

“ *Mr. Austin was my teammate at Riverdale MS. I was new to Middle School and he taught me how to maneuver through the day so that I could go home with some sanity. Not only did he share his wealth of knowledge, he shared his love for God and love for his wife Laura. I am thankful to have been motivated by his kind spirit. Peace to his family.*

“ *Mr Austin was one of the most Christ-like man I've ever known. In everything he did at Riverdale MS was with genuine love in mind. He ALWAYS helped whoever needed him. He was ALWAYS in good spirits. He was a joy to work with and treated my ESOL students with love and patience. He gave if you needed and helped when you needed help. I KNOW where is is now and I say GLORY because your were a GOOD and FAITHFUL servant. You rest now Mr Austin.....prayers to your family and Laura....*

“ Dearest Laura and family,
Your beloved Cal taught all of us to be better people. His kindness and love will be missed by everyone whose lives he touched. Sharing a meal with both of you in December meant so much to Verillian and I. I will forever remember his big smile, when I told him I had used his math lessons that he had taught me. Cal always supported me when we taught together. He made me a better teacher. I know Cal has his angel wings and is looking over all of us sending his love from heaven. Rest in peace my friend. “ The Grand-Jean Family wants to present to you, our condolences in the passing of your husband, Mr. Austin. He was a great administrator and we had a chance to work with him from the year 1999 and up. Especially in Riverdale High School, Forest Park High School, and the GED Department as substitute teachers. He will stay in our memory as a good person but not only that, but as a great family friend. May God give you strength and courage to support the pain that has created on you during this time. May his memory be cherished in the heart of the community that he has served with dedication and commitment. Once again we present to you our deepest sympathy.

Sincerely,
The Grand-Jean Family

“ The Bible says “Blessed are they that mourn for they shall be comforted.” I pray that God will bless all of us and give us the strength to carry-on without you. We also pray for your wife, Laura, and family to continue on in faith knowing that you would want them to honor your memory. We have been so blessed to have had times of laughter, food, and conversation with our dear friend. We thank Laura from the bottom of our hearts for sharing Cal with us. (Riverdale Middle School) The RMS family shares this poem with the family: God saw he was getting tired, and a cure was not to be. So he put his arms around him and whispered “Come with me. “ With tearful eyes we watched him suffer and saw him fade away. Although we love him dearly, we could not make him stay. A golden heart stops beating, hard-working hands to rest; God broke our hearts to prove to us he only takes the best. RIP. Verillian

“ Dear Mrs. Austin and Family

I wish I could be there to hold your hand...

Be a shoulder you can lean on when you feel you cannot stand....

But I can't and my heart aches for you...

And all that you are going through...

Know that we are lifting you up to the heavens...

And the Lord is your weapon...

He will light your way...

Whenever your sadness engulfs you and keeps you at bay...

Your healing will come one day and your spirit will once again feel peace...

I believe when that moment happens, Calvin and the Lord will smile because they'll know you are finally at ease and have embraced the keys....

Family--we love you and we pray our donation will help the American Diabetes Association continue its vital mission of preventing and curing diabetes, as well as improving the lives of all people affected by diabetes.
