“ Cendie and I went to school from 1st grade thru 12th together. There was 8 of us young ladies that were a tight knit group, myself (Joanne Wilson Almond), Melody William's, Vera Williams, Brenda Bryant, Mary Leverette, Glenda Jones, Rosalyn King and of course, Cendie. We share tons of memories, dancing together, playing together, maybe getting a little mad at each other, but never fighting. We had much love for each other. But as time passed, we grew apart and didn't keep in touch as much I know we all still had love one for another. The great 8 circle has been broken, but Cendie we will never forget you!

*"You can shed tears that she is gone,
Or you can smile because she has lived.
You can close your eyes and pray that she'll
come back,
or you can open your eyes and see all she's left.
Your heart can be empty because you can't see her.
or you can be full of the love you shared.
You can turn your back on tomorrow and live yesterday,
or you can be happy for tomorrow because of yesterday.
You can remember her only that she is gone,
or you can cherish her memory and let it live on.
You can cry and close your mind,
be empty and turn your back; or you can do what she'd want:

smile, open your eyes, love and go on."*

I just found out by chance of Cendie's passing. She was a dear friend. She consulted me occasionally on matters related to the advancement of her career and I, in turn, would seek her advice on my impending dental procedures. She was always willing and giving. Always smiling. She was a beautiful soul. May her gentle soul rest in peace.--- Dr. Evan Williams - July 17, 2023
