“ *Baby Joe is one of the finest men I have ever known. He and my daddy worked together for over 60 years. He is a hard worker, honest and dependable man. His personality, attitude and general outlook on life, if shared by everyone, would make this world a better place. We all have lost a very dear friend and I will remember him with the fondest of memories. Joe has joined the angels now. May God rest his soul and St Peter welcome him through the gates of heaven.*
