“ *You was more than a friend a cousin you was a brother to us. We love you and will never forget you. You always made sure to fix our repair problems on our cars. You even came and spent the weekend with us here in Huntsville to do so. Missing u like crazy. You was planning a trip up here to visit us again. Praying for strength at this time for the McClain family and to the girls. You had the best daddy. He really loved his babies.
