

Chief Apostle Dr. S.D. James

November 15, 2020

Chief Apostle Dr. S.D. James, resident of Banks, AL, gained Heavenly Wings on Sunday, November 15, 2020.

Apostle and Prophet, Dr. Samuel Demetrius James, II, born to Samuel and Ethel Thompson James, was pre-ordained from his mother's womb a chosen vessel and Messenger of the Lord Jesus Christ.

Called to preach the Gospel in the late 1940's, he delivered his first sermon at the Emerson Street Church of Good in Christ, Montgomery, Alabama, in revival with Elder Abraham Isaac Jacob Swanson. (The pastor, Elder Harris, is presently Alabama State Bishop of the Churches of God in Christ and residing in Huntsville, Alabama). In 1947, a serpent was prepared to take the Apostle's life before this great ministry could come forth but God, through Mother James, intervened just in time to snatch Samuel away by his shirt-tail from the venomous strike. Guardian Angels were with him all his life.

Being ordained of God, Apostle and Prophet demonstrated great wisdom from an early age, as did the Lord Jesus Christ before him. He was reading the Bible by age three; he evangelized in Cleveland, Ohio at age four; He was in the third grade by age seven; He was licensed to preach at the same age and began traveling as an evangelist on Trailway and Greyhound buses alone; He graduated from Brown's Elementary School at age 10. He graduated from Loveless Junior High School at age 13. He graduated from George Washington Carver High School at age 16; and went on to complete higher studies at Alabama State University, Hampton University- Virginia, Auburn

University, Miracle Valley Bible College, etc. He was already doing student teaching at age 19. Over the years, he was head band percussionist at Loveless Junior High School. He was Senior High School Chaplain, a member of the Male Glee Club, Gentleman's Club, high school track team, choir and Student Government Association. At the college level, he was initiated into the Beta Upsilon Chapter of Alpha Phi Alpha Fraternity, Inc. in 1963. He led baritone-bass in the college choir and was vice-president of the Pan Hellenic Council. Furthermore, he was a chemical laboratory assistant to Dr. Curtis McDonald during which time their research in Spectrophotometry led to the development of the polyester fiber. He also completed graduate studies in geology and was a fellow of the National Science Foundation. Photographs in the Department of Archives and other memorabilia recall his academic years of laboratory research; teaching secondary school teachers for degree upgrades; teaching physics, chemistry and mathematics; and developing science fairs to display student research potential.

Spiritually, Apostle James became a proficient child-evangelist by the age 12 under the tutorship of Prince Fred L. Davis of Triumph the Church and Kingdom of God in Christ who taught hundreds of aspiring young ministers of many religious organizations. Apostle James pastored his first church by appointment in Greenville, Alabama [chief apostle] at age 17 and was ordained at age 18 by Bishop J. E. Townsend with whom he also traveled, was taught in the prophetic ways, and brought to the Junior Bishopric. He was ordained a Prophet at age 19.

By 1969, he had built two churches, instituted the International Youth Congress, and served on the Board of Bishops and Elders, assisted in many ordinations, worked with Evangelist A. A. Allen and preached throughout the United States. When the Lord began to move on him in the 1960's, ordaining him a prophet and showing him many open visions, little did he know that Bishop C. H. Mason, Bishop J. E. Townsend, Bishop D. C. Rice, Bishop W.T. Phillips and Evangelist A. A. Allen who inspired him....all would leave the scene and that the torch would be passed to him to carry the Gospel of the

kingdom to all nations.

He is the Senior Bishop of Evangelistic Pentecostal Churches (Worldwide), Inc. He is the Chief Executive Officer of the S.D. James Evangelistic Association, Incorporated; the President of Maranatha Bible College & Ministries Training Institute; Chief Minister of the Alpha B'Eta Omega Messianic Brotherhood; the CEO of Jerusalem Campground, Bethlehem Ephratah Ranch Operations; President of Bio-Nutritional Supplements, Ltd.; President of S.D. James Enterprises; Editor-in-Chief of Open Door Publications/Outreach Magazine; and author of over 200 books, transcripts & periodicals. He currently sits on the Advisory Board of the African American Leadership Conference at Troy University; Troy, Alabama.

He has traveled extensively to many countries, such as: England, Jordan, Holland, Greece, Israel Germany, South Africa, Zambia, France, Syria, Austria, Turkey, St. Maarten Netherlands Antilles, Bahamas, Jamaica, Italy, Barbados, Trinidad/Tobago, Antigua, Mexico, British Honduras, Montserrat, Anquila, St. Lucia, Egypt, U.S. Virgin Islands, Hawaii, Canada, South America, Zimbabwe, & St. Kitts/Nevis declaring the Gospel of the Kingdom to all nations.

Family and Friends Visitations will be November 26th and 27th from 9:00 AM until 3:00 PM each day at the Jerusalem Temple in Banks, AL. Celebration of Life Services will be at 10:00 AM on Saturday, November 28, 2020, at Jerusalem Temple with Committal Services to follow in Gethsemane Gardens in Banks, AL. There will be no repast following the services. The Lord's Supper Sacrament of Communion will be offered at 6 PM in the remembrance of the suffering and death of our Lord Jesus.

I am and always will forever be a member of Endtime Evangelistic Pentecostal Church in Bryan, TX. I currently live in Dallas, TX with my husband and children. I travel home to Bryan as often as I can to make it to church and get my blessing. I was fortunate to travel with Bishop James a couple of times due to being a member of a church singing group called The Angelic Voices located out of Bryan, TX under the Leadership of Bishop and Apostle M.C. Williams. Our singing group was called "The Angelic Voices" and we were lead by non other than Fabulous and Anointed Musician, may she rest in peace Melinda N. Douglas. We are so thankful to God for all the opportunities we received through Bishop James to travel and spread the good news through gospel music! His Love will always be remembered

“ Greetings in the name of Jesus, my brothers and sisters, we the members and pastors of the (GUIDING LIGHT (E,P,C) Guyana are saddened by the passing of our Chief Apostle DR.SD JAMES. We remember our first encounter with the SD.JAMES Evangelistic Association World Wide at that time we were introduced to the (E,P,C) Nation by Prophet and DR.SAMUEL HUGGINS JAMES. Over the years we have had the privilege to learn a lot about our Chief Apostle and learn a lot from him today we have lost great son of the soil , a great teacher and a great leader we regret this loss but God knows best he has left with us a great legacy so let us all keep on keeping on in the Lord know that he is asleep in Jesus for to be absent in the body is to be present with the Lord. May his soul rest in peace and rise in glory. It is my prayer that whoever takes over the mantle stand as strong as our Chief Apostle did stand in the Lord. Blessings on you all . From Yours IN Christ. Pastor Floyd .A. Jackson and the (GUIDING LIGHT(E,P,C) Guyana.

“ We thank God for every remembrance we have of our Apostle and Prophet Dr. S. D. James. His obedience and faithfulness to the Lord Jesus, his commitment to the Work of the Ministry, and love for the Lord and the people, are all shining examples for all of us.

Reflecting on his lifestyle, legacy, and testimony, we can say of him in the words of the Apostle Paul, “He has fought a good fight, he has finished his course, he has kept the faith: Henceforth there is laid up for him a crown of righteousness, which the Lord, the righteous judge, shall give him at that day: and not to him only, but unto all them also that love his appearing.”

It was our privilege and pleasure to have him conduct crusades in Tortola, British Virgin Islands on different occasions and to dedicate our sanctuary- the Gospel of Jesus EPC. It was also my personal joy and honour to travel to Camp-Meeting in Alabama twice a year to hear what the Lord would say through his messenger the Prophet. I was also able to travel to different islands and countries where he ministered such as St Thomas, St Croix, The Bahamas, London, Israel, and Turkey.

We thank God for the many words of admonition, instructions, prophecies, and encouragement given to us. He instructed us and prepared us for this day when he would say goodbye. The words of Jesus to his disciples is now very applicable to the EPC Nation. “But the comforter, which is the Holy Ghost which the Father will send in my name, he shall teach you all things and bring all things to your remembrance whatsoever I have said unto you.” Let us allow the Holy Ghost our comforter to bring to our remembrance all the words of instructions and encouragement spoken by the Man of God.

Our Sincere Condolences go out to Mother Carrie James, the entire James Family, the Staff, and the entire EPC Nation. Proph’s life was an inspiration to all of us. Indeed, the work he has done and life he

lived speak volumes.

“ Our deepest condolences go out to the vast family of Dr. S. D. James, his wife, children, and the international ministries he led. I had the privilege of attending about three camp meetings and many other services he held in the Virgin Islands with my sister missionary Beverlie Brathwaite and my Mom, the late Pastor and Principal/Teacher Inez Brathwaite. Dr. James was guest speaker at the Upper Room Victory Church as well. On most of these occasions, he spoke about how God prepared him for the death of his daughter. He spoke often about what should happen after he died. He said that after he died the body of believers should fast for 40 days to select a replacement. I wondered then why he spoke about these things everytime. It was a pleasure to have known and experienced his wit and wisdom. He prayed for me and I was healed immediately. He prepared the brethren for this time but of course many are still in shock after hearing he had passed. He will be missed greatly. His prophesies are all manifesting in the earth as we speak. I believe he is resting in peace and as he is absent from the body, he is present with the Lord. What a talented Chief Apostle. He predicted the future, played several instruments, preached, held seminars, and did much more than we saw. He prayed. Blessings on his family. “ *Apostle James*

*I will miss you dearly. Thank you for allowing God to use you in a
mighty way. The Word that I heard you preach over years still rest in
my spirit. You prayed over me at the age of 11 in 1980. You said
that God would keep me covered and use me for His glory. I didn't
understand that as a child, but I do now. Take you rest and continue
to intercede for us.*

“ In 1987 I came in contact with an amazing individual. Apostle Dr SD James. His prophetic word spoken over me while hundreds stood listening to a man I was meeting for the first time transformed my life.

I have never again felt less than any other minister as a Woman in Ministry. His words still ring in my ears "If Mary can carry the baby Jesus in her womb, she can talk about him"

You are the mouth piece of God in the earth daughter, go and preach the gospel for you are called to do so!

I will miss you for your words of wisdom and the prophetic Apostle James and I promise I will continue to do God's will and be the voice to speak forth his Words with Power!

Will love you always

“ You was all I knew! I can’t fathom living in this world without you but you equipped me and the EPC nation for this time. I still believe in miracles but if it’s the Lords will I have no choice but to obey! If I can have you in my living room one more time and you hugging me and saying “How’s my Songbird” I’ll actually accept that this time instead of telling you I’m not worthy of the title! I love you papa and your teachings will live on through me and also The EPC NATION! Tell my grandpa (Walter Kent) hello and my momma!!

“A charge to keep I have, a God to glorify, a never dying soul to save and fit it for the sky; to serve the present age, my calling to fulfill, o may it all my pow’rs engage, to do my Master’s will.”
These words are symbolic of the passion, life and love of Apostle James. He was Chosen, Called, Honored, Gifted, Loved and a precious, treasure and gift placed in our lives - the sons and daughters his life would influence forever.
We will always remember him, love him and thank God for him and now we will - ‘Celebrate him home.’

God bless and keep and comfort the families and love ones.

“ I lost a great friend yesterday. We first met in 1974 when Dr. James and his little Caravan of RV's and people stopped at my Texaco Station on the Brundidge By-Pass. He stayed at my little RV park behind the station while he preached a Tent Revival next to the Ford Car Sales place going into Brundidge. He and I got to know each other that week and it was the beginning of a long and mutually learning friendship. He taught me a lot about people and had great insights to events and people that he shared with me. We did a lot of business together for the next 40 yrs and we enjoyed our friendship growing also. S. D. was a man of his word. He and I always did business with a handshake and trusted each other. His passing leaves a huge void in this world. He loved his family and his people. I know from experience that those close to him were part of his family also. I got to know many of his staff and friends thru the years. Not going to mention names as I am afraid I would leave someone out. But they were always the greatest of people to know and deal with. Mrs. James please pass along to your children how much I loved and respected their father. He was the best. I am so sorry for your lost. Terry

“ To God be the Glory for the things He has done through the life of my daddy, Apostle Samuel Demetrius James. God through the sacrifices of his consistent dedication in serving has brought many sons and daughters to empowerment from adults to young children. The world is about to be touched in response to this seed with the release of resurrection power producing the greatest harvest EPC Nation has ever known. After Jesus’ ascension, Acts was written as a testimony to the fulfillment of the message of Jesus Christ releasing many Anointed ones turning the world upside down. We must forge forward to finish the work. Write the story, a tribute to his legacy. Rest well Daddy and receive your crown. What follows is greater manifestation in the Glory that excelleth. The Lord’s Peace to you Baby, Third, Denise, Val, Issachar, EJ- Asher, the Lord reward you for sacrificing your husband, father, grandfather to ministry. The Lord will recompence. My heartfelt prayers are with you as you grieve, love, laugh. I will miss you Daddy, I love you all.
