“ Chris and I worked together in Mobile. He has always been not only my favorite installer, but one of my favorite people. He had such a great spirit about him and was always kind to everyone he met. My heart is truly broken to know that he is no longer on this side of heaven. He was truly a special person who was and always be dear to my heart ❤️ God Bless his family.

“ I usually have a way with words, but how does one say goodbye to a cousin who was more of a brother to me then anyone could grasp. Through the years with all the wonderful football conversations (both of us being diehard Vikings fans). I'll miss that more then I can convey into words. Go back to when we were kids listening to the Smashing Pumpkins and playing Tecmo Super Bowl or Mortal Kombat 2. Teen age years with games like Goldeneye 007, all the N64 THQ Wrestling games, and so many more. I had noone's back more in our family then Chris and he had mine as well. Our botherhood we share continues even if I now find myself physically carrying it alone. I could sit here and share stories for what could be a lifetime, but I will sign off as I feel just learning of his passing on the 21st of July...I still love you brother and noone else may get this, but I know you will from the best seat in the house....SKOL !!!
