“ I was totally shocked and sadden when I heard about my childhood friend Tyre passing. We grew up in the same neighborhood in Ozark. We played Pee-Wee Football on the same team, attended the same church, went to the same elementary, junior high and high schools. As kids we spent so much time together talking about our dreams for the future. A kind and gentle person I don't think I ever seen him angry or mad. He will truly be missed by so many, especially his "Friend-For-Life" Rickey Anderson. May God Bless his wife and the entire McQueen Family.

My prayers for your Peace and Comfort.
"And the peace of God, which transcends all understanding, will guard your hearts and your mind in Christ Jesus." Philippians 4:7

“ To my dear friend, I will miss you so much, thanks you for being there for me during hard times, a great friend for advice, and for pushing me to want to do great in life. Every time I succeed in life I will think of you, I will hear your voice in my ear of your encouraging words. I will never forget someone like you. You will be missed and if I never told you that I love you, I love you.

I didn't know him on a personal level, but as a member of the local branch of the NAACP, he was top notch. He was very faithful and hardworking. We will surely miss him.*
