“ Auntie I'm going to miss you so much. We was planning another trip so I could see your smile and watch you enjoy yourself because you deserved it plus more. This hurts so much. Your were a phenomenal person and will forever be. You left a mark on so many hearts it's unbelievable. Will forever love you SIP Queen.

“ Momma Dee! I am going to miss you so!
You're the epitome of what a superwoman
should be! I've witness you go through a lot
and your faith and strength never waivered.
I'm going to miss your smile, loving spirit, and
especially our conversations in Walmart.. I know you're at peace
and it makes my heart fill with joy. Your peace means so much more
than our pain. My thoughts, love, and prayers goes out to your
family. Don't worry, I will keep Danielle on the straight and narrow
lol. We love you and we're truly missing you...

“ I miss those days sitting on the stoop with you and hanging out with you upstairs from us. Especially the parties, Super litt. I can still hear your voice in my head! When you moved to Alabama I was fighting back tears because I didn't want you to leave. But, I'm really going to miss you and I do want you to know the vibes from you were truly amazing and fun. I'm going to miss you and I love you auntie; I still can't believe you're gone. Sleep in peace!!❤️
