“ Oh what a life will lived by the power of Jesus Christ. Doris was such an inspiration and her life was an example of a "woman sold out to Jesus"! I will forever remember her and her wonderful family.

My deepest sympathy and heart felt love for your all. She is among the cloud of witnesses and we shall see her again!

To a wonderful woman of God that I love and going to miss very much. She always kept to smile on her face. Sis. Doris loving her husband, family, and friends. No matter what she always kept the faith that things would get better. If she tell you something you can put your life on it believe it on everything. I can remember when I frist meet her she was stand with Pastor Shriey Brown in Louisville , Ala. on hwy 51 in that white block 🏠. She was preach and they was taking up the money and all I had was a hand full of penny and she look at me and told me that the Lord was going to bless me and he did the next day. It is so much that I can say about her. You no she went with me to my auntee further and some of my family was her family. So I start ask questions and we both find out that we was family and we both start laughing. Now we no why we we're so close to each other now. One of God Angle goose to soon.

“ I grew up with this young lady. Doris is also a cousin of mine. We had a great time when the fFlowers family lived down that long dirt road in Springhill. She was the sweetest person and kept you laughing all the time. Even though we didn't get to see each other often. She was always the same when I did see her. Love and miss her!
