LF

“ It's been at least 50 years since I've seen or heard from Earnest or any of Mr Cecil's family but sometimes I can remember it like yesterday... when I think of Earnest I can't help but remember Jimmy Lee Salisbury and then all of the sisters of Earnest whoms names I certainly can't remember but it seems like there might have have been one of the girls named Maddie... I can remember well you all living on top of the hill and walking down to the store very regularly... times were different back then but I do remember my mom and dad just always thinking highly of Mr. Cecil and his wife... Earnest was always fair to me...to all the family of Earnest...Philemon:3
