“ *Edward Lee Jr was a great father. I could talk to him about anything. He would tell me I ought to be ashamed. Then we laughed about it. He gave me the right advice.*

“ He may not have been my biological dad, he was my dad in every sense that mattered. He entered my life almost 42 years ago and was until death. He is leaving an irreplaceable void but has now joined his beloved “doll baby”(my momma), singing in the choir of Heaven. We love and miss you tremendously 😊
