“ *Claretha, there are no words that I could offer you right now that would allow you a moment's peace. But I would like to try by saying, I am here for you. I am just a phone call away. You are in my thoughts. You are in my prayers and I love you.*

Condolences to Zeke's siblings during this difficult time. I am sorry for your loss. I know your heart is breaking now; if there's anything I can do, please let me know.

To Zeke's children, although I don't know you, I know how it feels to lose a parent. I can't believe your father is gone and I know the shock is even greater for you. I pray memories of the times you all shared together can be of comfort during this difficult time.
