“ *You will be greatly missed uncle your smile always lit up the room and you were so full of life and encouraging word's always towards me. It was a blessing that you got to see your family all doing well just a few days ago and GOD didn't allow you to linger here unable to do for yourself or of not knowing who we were. For that I am thankful. Rest In peace you've finished your race here. Love your niece Manesha Glasco and family.*
