“ I am going to miss my cousin so much! I'm so grateful that we were able to talk and laugh together just a few weeks ago. You didn't want to let me in your heart but you had no choice cause you were already in mine. My husband & children are also so blessed to feel they had a place in your world. Ann my deepest condolences to you. He was so looking forward to spending so much time with you in retirement. I'm so sorry for your loss but I know he's watching & protecting you until y'all meet again. Goodbye Doobie I'll miss you and how dare you go without sharing that pizza spaghetti recipe with me. You promised. With a heavy heart and a face full of tears RIH my dear cousin.
