“ *Wow there is so much I could say, so much I'd love to say 🤔❤️ one thing I can most definitely speak 🗣️ and perhaps even for myself as well as others, you were one cool smooth Original “OG” and it was truly a pleasure to have been able to share the years that I was able to spend apart of my younger years with you as a second pop. You were always genuine, generous stayed the same, as well as your family. You will truly be missed Pop Pop 😭👉 Until we meet again .*
