“ Brock is my cousin. I got close to him and his immediate family when my son attended school in New York. Cousin Bernice, Mitsy and Brock took good care of my son with visits and down home meals. That’s when Brock and I discovered we both loved maps (before we maneuvered with GPS 😊). My handsome and intelligent cousin will be missed.

“ I've known Brock since he was a young boy. He always had a big beautiful smile on his face. May God bless him.
