“ To our Family members we are praying that we can continue to lift our heads up knowing that Aunt Glen Love each and everyone of us and she lived a Beautiful life, loved her Family, including the Jones, Wilsons, Christians, etc. She was the Mother to all of us whose Mother's had gone on. It was nothing for her to invite us to Benevolent Grove for the different programs they were having. Always remember she loved us and all our Children. We will miss you but will never forget your love for us and memories.
