“ *My deepest condolences to the family
Helen was in my first grade through 12th grade class, I remember her as a little girl and I grew up around her. I remember my mother Mrs Louise Boykin loved her so much because she admired her because she was so nice to everyone, she was extremely smart, a honor roll student we were 1971 graduates at Charles Henderson high school Troy, Helen loved God and prayed for others often a diamond. She was and a child of God and she will be missed, but never forgotten.*

“ Rocky and Helen are our neighbors and friends here in Lancaster. I'm going to miss Helen sending me inspirational morning texts, going to Zumba, line dancing, spin bike riding as well as walking in the Recreation Center with her. She had a contagious fun, loving personality as well as a kind heart. We would laugh about she couldn't get me to work at the polls during elections and I couldn't get her in the pool for water aerobics so we were even. We have been blessed to have such great neighbors and we're going to truly miss her. Sending our love, condolences and prayers to the entire family that God will be your Comforter and give strength during this difficult time. May God Bless you all❤️
