“ *IN MEMORY OF MY DEAR COUSIN:*

*If we could visit Heaven on this our saddest day;
maybe for a moment our pain would go away.
We would put our arms around you and whisper words so true;
that living life without you is so very hard to do.
We cannot bring the old days back when we were all together;
but loving thoughts and memories will stay with us forever.*

Beautiful picture from 3 people who have inspired me, held me down, was patient with me and taught me lessons of life through history. From left, my beloved uncle Horace, my Dearest Nana and my “quiet storm” father, Eddie! I will NEVER forget you! Much Love and respect. Shabazz (Maurice)

Love this pic! A memory to cherish. I told my husband, Shabazz. It was God that allowed them to take the pic in the order that they are standing is how they left us. To the right of the pic, first my dear Father-in-law Eddie, then Nana & then Horace. Our cousin Michael took this pic & he had no idea God would call them as a family Home in that order. May they Rest easy love ones, until we meet again. Love Tami!

“ *From Shabazz (Maurice) , Tammanika and family. To my dearest Uncle Horace, my fathers only brother and confidant for years. Uncle Horace looked out for me, my sister and was always kind to me but also tough when he needed to be. He was honest and funny and always was concerned about my welfare and my family as I became a man. He encouraged me and challenged me, but at the end of the day he had love for me and shared things with me about his life and family. Uncle Horace you will truly be missed as I will cherish your memories that only a Uncle can give! Thanks Uncle Horace, from your Nephew Shabazz (Maurice).*

“ My thoughts are with Horace's children, grandchildren, and other relatives during this sad time. I will miss my cousin so much--he has been among family gatherings for almost as long as I can remember. I will especially miss seeing him at holiday celebrations in NJ over the past 50 years. Rest well cuz.
