“ I an this young man crossed paths about two years ago; I got to work with him in the classroom. He was a good student and I just knew he had a bright future ahead of him. I am thankful I got to meet him and I'm still in shock of hearing this news; very sad and I will be praying for all the family an friends. We truly don't know when our last day maybe; take care an love one another. God Bless!

“ I remember we would sing 21 Savage (dip dip) and most of slime season 2 in Shaderians car around the summer time when they first came out! For some reason that's my favorite and one vivid memory! I think we went looking for you after school and from there because Pooh and I were best friends I felt like you were my little brother too! Especially when you started running track with us! You were so talented, entertained everyone!!! And no matter what you were yourself whether others found it annoying or not! Jadakis was Jadakis at the end of the day!!! Love you man... this hurts 💔
