“ *people I know. I'm so glad I got to spend your birthday with you last year. You treated us on your birthday and that was just the kind of heart you had. We had so much fun that week with you. I remember that time you pulled up in my drive way with the drop top all the way from Alabama. We would of been sailing on a cruise this year just having a ball. You will truly be missed Astroboy. Love you always my guy Love Janee & Mike*
