“ To all the Passmores, Malones, Wilsons, Goodrums, and Miss Minnie (aka Mom), I am so, so sorry for your loss. I remember your dad mainly as a hard worker because when I'd go to Cindy's house to play, she said, "We gotta be quiet because my dad is sleeping." Sometimes we managed to do so. :) But I am glad that he was able to see all his girls get married to wonderful men and have families of their own. Losing a parent is very hard and I know what y'all are going through but I hope that knowing that your dad loved you all very much and was proud of you will help you get through.

Lots of love to you all.

“ I did not Mr. Passmore but knew his daughter Cindy and can say he did a good job in raising her and sharing her with the world. May he rest in peace as he journeys back home. May the family remember him with love and laughter.
