“ Wow...where do I began..I met Joey during the early 90's during my college years and at that time Joey and my personality didnot coincide with each other...I was so reserved and kind of quiet, but THE WORD.."QUIET" didnot fit his personality...He came to my apartment with Mario and Randy and few more of their crew and just came on strong trying to TAKE OVER...lol..The joke was on me because I didn'T know him well..we got to know each other more...Joey's personality taught me that it's okay to have some humor every now and then and not be so reserved..we share some peculiar traits now.."HUMOR" and "TRAVELING EAST"....rest on my brother until we meet on the other shore..family you all have my deepest sympathy..love you all..stay strong...Chelle
