“ *John, I will always remember the fun times, the laughs, the road trips to other churches (especially the ones where we got lost or almost ran out of gas), the DELICIOUS meals at your place after TSU Gospel rehearsals, and the many contributions you made to the gospel music community. Sing and direct with the angels my friend; until we meet again.*

John, we believe you're singing with the angles. We also thank God for allowing you to teach others how to use their talent for the Master. Blessings upon your family.
