“ Truly an angel here on earth. I thank God that I was able to encounter such a beautiful soul. That I was able to feel his hugs and kisses, that I was able to hear the stories he use to tell, that I was able to hear him sing. My Great Uncle! The love, joy, and days of laughter I shared with you I will forever hold in my heart. I know they let you skip the line at the pearly gates because you are just that kind of person. With all my heart, I love you!

“ A calming love. That's how my Granddaddy made me feel every time we shared moments. Moments of me seeing him be a farmer and lately the joyous phone calls that left me with a smile on my heart. This is how Granddaddy is embedded within me for eternity.
