“ My deepest condolences to the Family.
I am so sorry for your lost of Johnathan.
I have nothing but goodness about him.
He was once our neighbor with his parents.
As a child ,he attended school with my grand
kids. He was their neighbor on the last. They have nothing but good
to say about him.
I seen him every now and then he was always the same
mannerable and humble when I would see him. I know his dad
better than his mom but if I was ask ,I would say they was good
parents to them all.
Don't feel like you might have fail him because you didn't. Like all
good parents you done your best.
Satan is busy doing his work.steal,rob and kill .He's doing that with
our children and people's.
We better buckle down and work for the Lord
He worked for us by sending his son to take on our sins ,the
peoples of world sins.
So we would be forgiven and not die and go to he'll. If we only ask
God to forgive us. And then after we repent of our sins God forgive
us. We then are baptise in water for the remission of our sins. The
removal,or cleansing. We come up out of that water a new creature
excepting the Holy Spirt walking in the newness of God.
Telling everyone about Jesus his reason of coming, his teaching of
love for one another ,even our enemies. We belive this doctrine.
Our purpose now is to tell someone else about Jesue and we shall
live for him.
To do what ever his will is for us.
Follow his commandents and doctrine.
For God was in the world and the world knew him not. JESUS Was
God in the flesh.
He said he go to prepare a place ,where he's at we to can be there
also.
So people's let us be ready when he come or call us. We pray that
every one gone on before us . They had peace with Jesus,God
when they left. We are not to judge because we don't know . He say

*you can't come to God unless you come through Jesus Christ.
We are all in his hands that live for the Lord God.
And if you aren't in Christ ,then you are of satan the devil.
It's only two ways God or the devil.
I hope you all have found peace in this hard time. . And will Cherish
all the memories of Johnathan . Thats probably what he would want
you all to do. Everything good.
I wish you all well.And healing for your soul and body.
