“ My Gangster boo you were the absolute best coworker I have ever worked with, I am going to miss our many laughs and that serious face you use to give me. You were more than a coworker you were family a listening ear and someone that didn't sugarcoat things I needed to hear. I am going to miss you so much Love you Always.

“ *To just talk to u and now not being able to hear a smart mouth response is weighing on me. Grl...I miss you so much! I called you all the time, everyday for you to say, "Grl u ain't got nothing else to do but call me?" Then start laughing! I could go on but I'll start 😭 and want stop. I bothered 😂 you every single day, now that task is no more. I'm lost without my best friend. I'm praying that I break this strong front, before it breaks me. I love and miss you so moma!*
