“ To the Daniels family my sincere condolences go out to you. May God wrap his arms around the family during this difficult time. You will truly be missed. “Goat” I’m glad I had a chance to know a great man you were and that our last hour was on Thursday when I was down at your house. I was looking in the backyard through the window and you said it’s beautiful in the summer out there. RIP UNCLE love ❤️ you and I’ll never forget you taught me how to play PHASE 10
