“ *Latoysa Jones was a hard dedicated worker. She loved her family; she spoke of them often especially her grandkids. I had the privilege of working with her for 17-18 years at Wayne Sanderson. I believe this February would have made her 18th year. She knew her job and she did it well and would do what you asked of her. I will surely miss her as i seen her at least 3 times a day. She will forever hold a place in my heart. Praying for the family, God bless and comfort each one of you.*
