“ To The Children, Grandchildren, Siblings, Other Family Member's And Friends. Before I Came To Really Know Myself, I Knew Laura, My First Cousin. I Learned To Love Her As A Young Child, Because My Mama And Daddy Loved Her So Much, And She Loved Them. When Laura Married A Military Officer, And Traveled Around The World (Oversea's), My Parent's Would Say, My Parent's Looked With Just As Much Anticipation To Her And Her Husband, "Grove," Coming Home For A Visit, As Did Aunt "V." To Know Laura, Was To Love Her. She Was Beautiful, Kind, Sweet And Loving. When She Came To Visit Mama And Daddy, She Would Approach With Outstretched Arms, And A Beautiful Smile. She Was Genuine, No Pretenses. She Loved Aunt "V," Her Mother And All Of Her Siblings. She Was An Encourager, Always Telling, My Younger Sister And I What Beautiful Girls We Were. When Her Children Were Born, She Heaped So Much Love On Them. Laura Could Walk Among And Dine With Queens, Yet She Never Forgot Her Folks. Laura Has Left Living Legacies, Her Children, As A Constant Reminder Tha LOVE Dwelled Among Us. May The Peace And Comfort Of God Rest With You My Family.

“ To the family of Laura Austin: Laura became a big sister and a dear friend to me over 20 years ago. She was a kind, loving and genuine person to all who knew her.

It seems as if God is calling his angels in early. It causes on's life to be turned upside down. Our world has suddenly changed and it requires us to adjust to a new norm. But continue your steadfast love for God. Cry the tears, for they are God's gift to us. They heal us as they flow.

Laura will always be missed and will always be near you. May the love of your family and friends surround you and fill your heart as you journey down this new road. Know that your mom's presence will always be with you. Be kind and gentle with yourself. I am sending the family lots of warm hugs. May God heal the heart, bless the family and may he give you comfort and strength each day.

TO GOD BE THE GLORY FOR THE THINGS HE HAS DONE

We know that no one can replace her and we know it's going to take some time to heal. But remember-- death may take her out of sight, but it doesn't take her out of being. We love ya'll.
