“ Hello my beautiful cousin, I am sooo sorry we have not been in touch with each other outside of our childhood. We missed alot of fund memories but through it all, I was so proud to be able to call you...COUSIN! I heard of your accident and could only thank the Lord for allowing you to exist and to pass on yourself through your kids. Girl for someone I haven't seen in such a long time...I remember you just the way you were and will cherish you in those memories. Sleep in eternal rest.

Much Love Cousin Willie Johnson (aka - Bodilly)
