“ Please accept my deepest condolences. Michael had such a positive attitude at everything he did and was such a pleasure to work with.

May his memory be a blessing for you and your family.

“ Mike was a positive force around the jobsite and always uplifted my spirit when morale was low. I'll keep close to heart the motivating conversations we had where I always left feeling inspired and once again ready to tackle both work and life. I know he had the same ripple effect on others' lives on the daily, and he will be missed dearly. Rest in peace, Mike.
