“ 2 years gone and the pain is still fresh. Happiness is forever lost to me. It went with you, my baby brother. I am lost in this unnatural position- me still here and you not. You should be here. Kind, Giving. Warm hearted. Self-sacrificing. Loving. A good man. I miss you.

“ I’m deeply saddened and in tears to hear of Mike’s passing. He was my barber in college and even after I moved from Troy. He cut my hair right before my wedding and every time I look at my wedding picture, I think of Mike and what an excellent job he did on my hair cut. He was always easy to talk with and had the most pleasant and respectful demeanor! He always made you feel like family!! I saw him less than a year ago and had no idea it would be our last conversation. I wish I would have known of his passing in time to pay final respects. So shocked to learn he passed and already laid to rest. May God Bless and keep his family!
