“ Words can't describe how I feel right now. Some people are motherless, however, I was blessed with not one but two mothers and I am forever grateful for the time we shared here on 🌍. We share the same birthday so I expect you to party in Heaven just like we did every single year here. I love you to the moon and feel completely loss without your humor, firmness, guidance, and love. You were hard on me when I needed it and I thank you for that because it has molded me to take blows as they come at me in life. Tell my mom I love her and tell grandpa I have some words for him lol! Until we meet again! Love you always, Camille "Girl"
