“ *Raydiance had the ability to light up a room just by walking into it. Her smile was brighter than a hundred candles. As long as I knew her, she never allowed her physical limitations hold her back, and always pushed herself to do more than others. She was a brilliant minded student with such a loving and kind heart. She will be dearly missed.* ❤️

“ *Raydiance is my niece. She was bold yet gentle in her approach with people. She reminded me so much of our Mom because she spoke her mind boldly but still loved people. I will miss my niece so much. She was sweet and tried to make people feel good with kind remarks. She was passionate and compassionate about human rights.* ”
