“ *You left is so abruptly. I am still thinking about the last two before you went to the hospital. I thought you would come back home but that was not the case. You always told your family that "I you love" even after a disagreement. I am going to miss you. You was genuinely kind and you wore your heart on your sleeves. I am going to miss you. Until we meet again, rest in peace my little brother.*

“ *It never thought I would be posting memories about Rick. About a month ago was the last time I seen and talk to him. It had been quite awhile since I seen him .*

*I thank God that we had the opportunity to talk and laugh together one more time. You just don't know what God have plan but I'm glad I was allowed to see and talk to him again. And everything loving and peaceful.. That's how we all ought to leave this world with peace,love and joy in our heart.*

*No hatreds, no unforgiveness but peace and joy , a relationship with Jesus. Our treasures are store in Heaven not here on earth.*

*MY CONDOLENCES to his loving mother Mrs. Jessie ,his daughter other family and friends.*

*May God comfort you all during this trying time.*

*RIP Rick*
