“ *My sincere condolences to the Noel family in the lost of our beloved Rodney Noel. He touched the lives of many, always looked for the positive in people and situations and always stepping up to the plate to lend a helping hand. Our Texas College family is still in awe and disbelief that the person who worked so hard with programs, assisted the less fortunate, and volunteered for countless efforts during our homecoming celebration just last month is gone.*

We take solace in knowing that he is in the arms of our Lord and Saviour.

After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us.

May his soul rest in Heaven.

My sincere and deepest sympathy,

“ Rodney was my friend, my christian brother and classmate at Texas College. He was always willing to help and lend a helping hand to anyone in need. He was a true man of God who loved the Lord, his family and all who became a part of his circle. Always greeted you with a smile and always looked for the best in people. He touched the lives of many and worked hard to be a true role model and servant to mankind. My condolences to the Noel family in your loss. We all lost someone near and dear to our heart.

Sincerely,

“ *To The Family of Rodney Noel:
Many years ago I had the pleasure of meeting my classmates name Rodney Noel at Texas College in Tyler Texas . Not anyone called him by that name, we all called him "Bama". He was very witty and genuine. He always came around with that big smile and he had a laughter that one would never forget. Years after graduating, I became to know him as a father because we were stationed in Germany. We shared our career goals, family thoughts, and military aspirations. The brotherhood and sisterhood bond we established so many years ago continued to connect as we visited with each other during Homecoming at Texas College. He was a classmate. He was a true friend. He had a big heart. My condolences goes to each one of you and I pray that God continue to strengthen you every day.*
