“ *So sorry to hear of the passing of this beautiful vibrant spirit. I'm an old school graduate of Tuskegee and feel all Tuskegee Alumni are family. My prayers and thoughts are with her family and all who love her. I didn't know her but from all of the positive, inspirational things said about her I know that she was a beacon of light in many lives and hearts. Shanterrica I pray that you will rest in eternal peace in Paradise. I know that you will join the other Tuskegee Golden Tigers that have gone before you and that you all will have great conversation and look after one another. Amen & Amen*

“ *Shan I always thought of you as one of the most beautiful young ladies that ever set foot on this earth. You seem to always be full of life and joy by just the smile that you displayed on your face. You were the representation of how young ladies should carry themselves and that if you set your mind to doing something positive you did it. You were just truly an inspiration to many known and unknown. Your physical absence on this side will be missed beyond measure but we know that your soul has been lifted into the beautiful gates of Heaven in preparation awaiting to serve your heavenly duties as an Angel to serve among us. I love you cousin Shan and you will forever have a place on my heart as well. May God continue to give my family peace, understanding and the strength to carry on with God's unchanging hands.*
