“ I have never known anyone like Stanley. No matter the circumstances, his cup was always full, and he remained positive. He was a loyal friend with a precious heart and a genuine love for others. Stanley was a true Social Worker — compassionate, selfless, and deeply committed to the residents and their needs.

He never asked for anything for himself and was always willing to give whatever he had to anyone in need. His gentle spirit, kindness, and generosity touched so many lives. He will be deeply missed by many, and I am truly blessed to have called him my friend.

“ My condolences to Stanley’s entire family! Stanley and I attended Troy State University back in the 80’s and graduated in 1989. He was always a very nice guy who smiled a lot. His presence will be missed.
