“ I knew Steven from his time in Pendleton. He was a role model for residents trying to walk the right path. Being an LSU fan we had a lot of spirited discussions. If anyone from his family sees this reach out to me. I have some pictures from his involvement in some of the programs he took part in. DLSDADDIO67@gmail.com. He was a great guy!

“ My big Homie; from humble beginnings we forged a friendship that lasted a lifetime, surpassed 26 years of obscurity, to a reconnection and to a humble ending. I find it very ironic, that on one of the most celebrated days of thanks ,you departed this earth with a full heart. Now that the dust has cleared, I bid you a humble farewell my friend, to a place where there's no more suffering, heartache, uncertainty, or anything that plagues us in this life. We had a good run,
brother!

May God welcome you into his wonderful Kingdom!

“ I was so shocked to get the call about this news the other day. This definitely seems surreal. We go way back but, I hadn't gotten around to seeing him yet and then this happens. Thank goodness that memories last a lifetime because I have a plenty of those. I never question Gods actions, so I'll just say he's in a better place. Praying for his family and friends during this tough time.

Sending love and blessings to the Tuck Family. I was incarcerated with Stevio. We worked hard on our cases. I was exonerated last year and he came after me. It's tragic only because of all the love and he had to give others, yet a blessing because the Most High, Yahweh called him home. HalleluYah 🙏🙏🙏🙏🙏🙏
