“ My heart is deeply saddened for her family. Susan was a beautiful soul inside and out. Not too long ago, her picture popped up in my memories. I sent it to her and didn't get a response. Was she saying goodbye to me? My heart would like to think so. We met while working together and immediately connected as sisters in Christ. My sincerest condolences and prayers for her husband and family.

“ *My condolences to the family of Susan .
To God Be The Glory.
In times like this we have to steal away to God. To give us strength
to go on.
Leaning on Jesus to guide us and direct our path to take.
And not depending on our own understanding.
But always giving honor and Glory in our weakness.
Jesus be with you all.
A former neighbor thinking of you all and remembering Susan.
Much love to you all.*
