“ To the Thomas family, my heart goes out to each and everyone that's been affected by the passing of your loved one. I can still remember when you first came up to the buckeye, you were young, full of life and energy, and was about getting that bread. You would go to hell for your family. When I got the news of your passing, a part of me died. To MS. MARY AND SMOKE and your family he will always be there with you with that smile he always had. Nephew get you some rest, From Big UNC
