“ My sincere condolences to the Williams family. Verdis was a dear co-worker during my years in Detroit. She had a wonderful sense of humor. I loved hearing her talk about her son who was living in Japan. I never thought she would be gone so soon.

“ It must've been destined for us to meet back in flight attendant training back in 2015. Through the years, you've been a mother and friend to me and we always held each other accountable and looked out for each other. I will miss the talks and laughs that we shared. You always knew to grab your AirPods when you were talking to me as you never knew what I was liable to say. I will cherish everything you taught me and will forever miss you Verdis

“ *Verdis is one of a kind. She gave me the best & honest advice. She was always there for me, to help me through heart aches, business decisions, employment knowledge, ... just everything!! I could call her at any time of the day just to talk, joke, and vent about life, she would always listen and never would judge me...she was the best friend anyone could ever have. Verdis was so down to earth & real, she had such a BIG heart and would defend me & have my back in any situation!! I really missed her.... she was my best friend, my sister, my mentor. I love you so much Verdis!! It was a blessing to have you in my life!!*

Verdis was the sweetest most considerate person. She loved genuinely. I know Heaven is happy, and your beautiful mother is rejoicing. You will be dearly missed, but I'm assured you are resting in the arms of the savior. Rest will and be there to greet me in the Rapture 🙏. My sincerest condolences to your family.
