“ Where do I begin? This is a hard pill to swallow. You have been a part of my entire life. You listened to me and gave me directions on the paths I should take in life. I called you about the good and bad times. You always gave the best Christian advice. It hurts me so bad to know that I can't pick up the phone now to tell you how much pain I'm in right now. You always told me no matter what the situation was to just pray about it. I'm praying Linda but my heart is shattered into a thousand pieces. I will continue to pray just like you always told me to. The last time I talked to you, you told me you were tired. Auntie you fought a good fight and now you are at peace. No more pain and no more restless nights. You are with God now resting in his arms. Before I hung up the phone the last time we talked you told me you love me and I told you I love you too. Linda I loved you then, I loved you yesterday, I love you today, I will love you tomorrow, and I will love you forever. A part of me went with you but I will always keep you in my heart forever. I love you Auntie!!!!!!
